## **To give you insight** **The Parent Portal**

The Parent Portal allows you to digitally:

- check and change appointments for your child(ren) aged 0 to 4 years;
- indicate your availability for appointments;
- change data relating to yourself and your child(ren);
- access and print your child's growth curve and development schedule.

### **Got your attention?**

Please go to [www.ggd.amsterdam.nl/ouderportaal](http://www.ggd.amsterdam.nl/ouderportaal) and log into the portal with your DigID.

### **Any questions?**
